

Nothing Stays The Same

In their hearts humans plan their course, but the Lord establishes their steps. Proverbs 16:9

The past few months have come with a major change. As we all know or should know by now, nothing stays the same, except for God. We have always set our plans but let me tell you God always establishes our steps. That was true also when in July of this year Dr. Lambert informed us that he would be moving to the United States in September. We had worked together since January 2009, over 7 years. We made plans to start looking for another Doctor. What we did not know is that God was already way ahead of us. A few days after finding out Dr. Lambert was leaving another Doctor came to the clinic asking us if we needed a Doctor. She did not know any of us or Dr. Lambert but God knew her. Yes, we interviewed other candidates that we found on our own but the best was the Doctor that God had sent us! For 9+ years we have put our faith in the Lord and He has always directed us and provided us with what is needed to carry out His will!

We want to say thank you to Dr. Lambert for his 7+ years of service with us and this ministry and wish him all the best in his future endeavors. Please welcome Doctura Yahaira Marte to our staff at the clinic. Please include her in your prayers. She has been with us for over 2 months now and is doing an excellent job. The patients are getting to know her and they love her! Thank you Lord for always establishing our steps and taking care of us! Glory be to God!

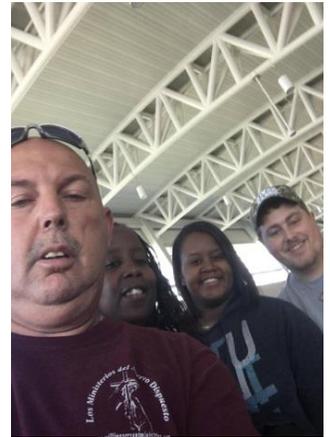

Mission Teams

November 5 – 12 brought us our Team New Jersey! (**pictured below**) This group headed by Mary Rapuano comes and partners with us faithfully every year. This year 21 wonderful people made the trip to Sosua. Their very first day was filled with heavy rains and every day after that for 5 days yet it did not stop them from helping and blessing the people here! They brought lots of donations including lots of medicine for the Paradise clinic, school supplies, clothes, shoes and much more. They worked in the rain and mud (**pictured below**) for 2 days in Puerto Plata where there has been a lot of flooding due to heavy rains. This group sponsors many children to go to school and they brought gifts for each of them and visited some in their homes! What a blessing for the people here to feel loved and be given hope. One highlight was Tuesday during their trip they visited the Mustard Seed Orphanage, a place for severely handicapped children. They brought some new, much needed walking aids for the children to use, sang songs and just loved on them! It was raining really hard but I saw sunshine in that moment! Thank you Team New Jersey 2016 for all you did and all your love and commitment to the people of the North Coast of the Dominican Republic! See you next year!

More Volunteers

October 14 – 22 brought us four volunteers (pictured right) and friends from our home Church in Daytona Beach, Florida. Greg and Sam Rowe, Cara Bradford and Nick Weyrauch came for 8 days to visit and work with us. They brought us lots of medical donations for the clinic and much needed supplies. A special thank you goes to Juan Lopez who collected many of the medical supplies that were brought! In the clinic they helped us greatly. Greg called and escorted patients to the Doctor, Sam helped clean wounds and worked with the nurses, Cara worked in the pharmacy, painted and organized meds, Nick painted, organized shelves and meds and pretty much anything else we asked him to do he did it! We love volunteers who are Willing Servants! Together we visited many old friends, spending time catching up and having dinner and worship time together. We visited many villages including La Vigia, Chichigua and Aguas Negras. We ate lots of great Dominican food and had lots of good times laughing. It was a blessing for us to have hometown friends come and work with us!

God's Timing Is Perfect

This year has been unpredictable. First I had to take a trip back to Florida when my Mom passed away leaving Tina here to run things alone. Then Tina has had to take some time to be with her Mom and help her leaving me here to run things alone. Then after 3 years of drought here on the North Coast of the Dominican Republic, the rains fell strong and we have had lots of flooding, unexpectedly. The one constant in all this turmoil called life is and always will be God's provision for us. He is faithful! He always sends us everything we need. Here is an example: While Tina is away I need help in the clinic. God sent us a man named Dave Campbell. (Pictured Right) God spoke to Dave early in the morning about us and our need! He has come alongside us here helping in so many ways. He works in the clinic, has helped me finish projects after groups leave by painting, building shelves, hanging fences, and being a friend and Brother in the Lord! Thank you Dave Campbell but most of all thank you Lord!

Willing Servant Ministries is a non-profit tax-exempt Christian organization established by and for Rob and Tina Iannone to carry out the mission that God has called us to in the Dominican Republic. We will be working to further the gospel and help those in need physically, mentally and spiritually. We are able to continue to touch lives for Christ because of **Faithful Supporters** who generously give to further the Good News! Thank you for your love and support in the past and for the days to come. May God richly bless you!!

Then I heard a voice of the Lord saying, "Whom shall I send? And who will go for us?" And I said, "Here am I Lord. Send me!" - Isaiah 6:8
