

## Divine Appointment

There are divine appointments and February was one of those times. February 10 – 17 brought us a team from Oregon, Calvary Community Church! They found us on the internet and chose to partner with us in their mission. We are thankful for this divine appointment!

This team of 13 volunteers traveled a long ways to come and minister with us to the poor and needy. During their week they attended church services, help start the building of another house in La Vigia, did several children's programs blessing over 300 children, played with children and prayed over many people. Some of the team members even volunteered a few days in the Paradise Medical Clinic. On the job site it rained almost daily and there was a lot of mud but this group just kept going. Wheelbarrowing, shoveling, picking, carrying block, making concrete, carrying buckets, helping lay blocks, bending rebar, and much more! This group brought us so many donations for the Clinic ~ what a blessing!

They attended the church in La Vigia and gave testimonies and sang songs and brought a great message to the people. This group also visited a local orphanage bringing them a message and gifts and food. Every day we started with devotions together and every day after lunch we worshiped and praised God together!

We thank God that He sent this wonderful team of volunteers. Thank you to Clyde, Deanna, Seth, Madeline, Ethan Goins and Gary & Denise Clevenger, Byron, Heather & Wyatt Bose, Clara Villanueva, Landon Gray and David Shetler for coming and being love and encouragement in the flesh! Hope to see you all next year!

## Clearview Community Church

We are very thankful for our ministry partners who make a commitment every year to support our ministry and send a mission team. This year Clearview Community Church from Stayner Ontario Canada sent 22 team members who came to work alongside us. They arrived on a Saturday morning at 3am to Sosua and were right to work that same day doing a children's program for over 100 children! They brought us so many donations for the Paradise Medical Clinic that our shelves were so full there was no more room, our cup was running over thanks to the dedication of this team and their commitment to help the poor and needy! During their week they continued helping us build a home in La Vigia by wheelbarrowing, shoveling, picking, mixing lots of concrete, pouring sidewalks and floors, smooth coating the walls, laying block to build the septic tank, painting the tin roof, and many more tasks. They also found time to do Children's programs blessing over 350 children with the Word of God, songs, a drama, gifts, Bibles and food and drink! They did a prayer WALK also! Walk in caps because they really walked as they were led by the Pastora out into the countryside to pray for people! Another great year and week of ministry with Clearview Community Church! Thank you very much once again for your kindness, generosity, encouragement, support, commitment and love for the Dominican people!

## More News

February 28 to March 5 brought us two dear friends and partners in the ministry, Tony and Cheryl Disalvatore. **(Pictured right)** Rob worked for Tony and Cheryl at Creative Signs when he was 19 years old and God brought us together all these years later to minister together in the Dominican Republic! Our God is amazing! They helped us in the clinic and brought us donations also. We were able to attend Church services together and see the work being done in La Vigia.

Also we had Amanda Smith, from Canada, volunteer with us for 3 days in the Paradise Medical Clinic. She is a nurse in Canada and we hope that she will join our team in the Dominican Republic later this year!

Also, we have Kaitlin Weatherall from Stayner Ontario Canada coming to join our volunteer team at the Paradise Medical Clinic on April 13 of this year! Please include her in your prayers for this ministry! She has been on several mission trips over the last 3 years and has felt a call to full-time ministry with us and to the Dominican people. We are excited and thankful to the Lord for sending more workers because the harvest is plenty!

- 2) For the newest member of our team – Hendy Andrews – We ask for all of you to include her in your prayers as she is managing, administrating and overseeing the Paradise Medical Clinic and it is no easy task and she needs your support!
