

Clearview Community Church

Whatever you do, work at it with all your heart, as working for the Lord, not for men. Colossians 3:23

It is 2017! March 4 – 11 brought us another great mission team from Clearview Community Church, Stayner Ontario, Canada (**pictured top left**). Every year they send us a team that encourages us and all the locals they come in contact with! This year was no different as a team of 8 volunteers came and blessed us all. They preached the word, shared testimonies, prayed for many (**pictured bottom left**), and taught the scriptures through their awesome drama, blessed over 300 children with toys, food and bibles (**pictured middle top**). They worked side by side with local volunteers and workers pick-axing wet mud and clay, shoveling, wheelbarrowing, mixing concrete on the ground, carrying block and much more all so they could build a house for a very poor family of 7 (**pictured top right**). They brought us many donations for the Paradise medical clinic, restocking our shelves. The

best thing that this group did though was connect with the local Dominican people (**pictured bottom right**). 7 of the 8 members of this team were returners from last year. Many of the Dominicans will ask when they are returning. So when group members return it is extra special for the local people. They loved on them and gave them hope and encouragement. This is far more valuable than material things that we can give. **John 13:35** “**by this everyone will know that you are my disciples, if you love one another**”. Thank you Clayton & Amylynn Culham, Anthony Braden, Kaitlin Weatherall, Jacob Gage, Jonathon Smith, Darlene Ferguson and Murray Culham! Your commitment and love for us all here is appreciated and needed! See you next year!

Ministry Partners!

The Paradise medical clinic continues to be busy with people who are looking for help and quality medical care as well as medicines! We receive on average 7 new patients daily that have never been to our clinic before. We do over 7000 consultations yearly. We have been open now for over 6 years and have done over 42,000 consultations. Each of those patients that consulted received medicine ~ WOW! That is a lot of medicine! How can we do this? God sends us partners that enable us to do what we do. We have so many of them it is truly the "Body of Christ at work". Having partners in ministry is so vital and important to our ministry! We could not function without them! Here is an example: February 3rd we received a visit in the Paradise Clinic from an organization founded and run by Oto and Liz Perez called Nexo. They brought a mission team from Woodland Christian School in Ontario Canada (pictured right). This team brought us some much needed supplies and medicines for the Clinic as well as a monetary donation. They also helped organize and put together medicines as well as got a tour and a talk learning how the clinic was started and how it functions now. When others partner with us and come to see what it is we do, it encourages and strengthens us to continue the work that God has given us. Thank you to everyone who makes this ministry possible!
